VERKAUFSHILFEN / BAUMARKT display racks / DIY superstore

Baumarktprodukte wollen als Mitnahmeartikel nicht nur platzsparend und leicht zugänglich aufbewahrt werden; vielmehr ist auch eine ansprechende Präsentation entscheidend.

Siro hat ein modernes, kluges Modulsystem entwickelt, das beiden Ansprüchen gerecht wird.

Individuell auf die Bedürfnisse unserer Kunden abgestimmt, geben wir Verkaufsräumen einen neuen „Look“.

Kombinier- und erweiterbar passt sich das System jeder Raumsituation an.

Des Weiteren bieten wir fachgerechte Verpackungen, die sich zum Aufhängen oder Hinlegen eignen.

Products from the DIY superstore are takeaway products i.e. you do not only have to lay them out in a space-saving way but you also have to provide for easy access and an appealing presentation.

Siro has developed a modern and smart modular system that meets both demands.

We give our stores a new „look“ that is tailored to the needs of our customers.

The system can be combined and extended and fits in very room.

What is more, we offer you correct packaging solutions suitable for hanging or depositing items.
